PRO-LIFE NEWS

A Little History Lesson from your Local PRO-LIFE ORGANIZATION, RIGHT TO LIFE – LIFESPAN,

The following article is excerpted from an article that appeared in the Saint Clair County Right to Life Newsletter, June, 2019 (issue 29 no 2)

MICHIGAN LAW AND BALLOT INITIATIVES

'Like most criminal laws, laws against abortion are enacted and enforced at the state level. Michigan's laws banning abortion date back to 1846, which made us one of the leading states in protecting women and children. Regardless of what you may hear in the media, Michigan law does not and has never penalized a woman from procuring an abortion.

Like most abortion bans, the law focuses strictly on the party performing the abortion—i.e. the abortionist.

There have been attempts to overturn Michigan's abortion laws, the most recent being in 1972 when an initiative was put on the ballot to "liberalize" the laws;. To the surprise of many, Michigan citizens turned down this initiative, which meant that our laws against abortion remained in place—for about eleven weeks.

In January 1973, the U.S Supreme Court handed down their infamous Roe vs Wade and Doe vs Bolton decisions, which effectively rendered null all laws restricting abortion in all states. This decision did not remove the state laws from the books, but meant they could not be enforced. This distinction is important—it means that all the (Michigan) state laws are still in place and if those two decisions are ever weakened or overturned, the state laws could again be enforced, provided there are no later laws that introduce conflicts or confusion.

Michigan law provides a mechanism for our citizens to directly initiate laws by way of a ballot proposal or initiative petition whereby petitions, written in language approved by the Board of Canvassers, are circulated to the citizens and if the required numbers of signatures are obtained, the measure goes to our Michigan House and Senate. The legislators can vote to approve the measure, reject the measure or not vote on it at all. If they approve the measure, as presented, it becomes law and cannot be changed or vetoed by the governor. If they do nothing, the measure goes to the next general election for a vote of all the citizens in Michigan.

Our Michigan legislature had already voted to ban dismemberment abortions, which the governor has promised to veto. The goal of the dismemberment ban petition is to obtain the required number of signatures and present the measure to our Michigan legislature once again, where it is hoped they will once more vote to ban the procedure.

Volunteers who are 18 years and older (and registered voters) will be needed to help with this petition drive after all Saturday and Sunday Holy Masses on the weekends of August 3 & 4 and 10 & 11. **To offer your assistance as a volunteer to collect signatures, please call Lynn Gura at the Right to Life –LIFESPAN office at (248) 816-1546 or email her at oakmac@rtl-lifespan.org and put in the subject line: SSCM Petition Drive.**

The Michigan Catholic Conference and Archdiocese of Detroit fully support this petition drive.

Thank you! *Lynn Gura*, Parish L.I.F.E. Ministry

PARISH L.I.F.E. MINISTRY

Attention everyone 18 and older...If you are not registered yet to vote, please register for a voter ID so that you can participate in the very important Dismemberment Abortion Ban petition drive that will be taking place at our parish in the near future. Your signature will be collected along with the other signatures to help make this petition drive a success for the pre-born children being killed by abortion in the 4-6 month stage of fetal development. The Partial-Birth Abortion method has already been banned in Michigan. The Dismemberment Abortion (also known as D & E, dilation and evacuation) is the other form of abortion done at this stage of life and we are seeking to ban it as well in our state.

There are other choices for women who face an unexpected pregnancy: assistance during pregnancy and with parenting once their babies are born or assistance with adoption. These choices are Life giving, not Life ending. If you have any questions about this petition drive, please contact the Right to Life – LIFESPAN office at (248) 816-1546 or email at oakmac@rtl-lifespan.org (put in the subject line SSCM Petition Drive).

Thank you very much! God bless you! *Lynn Gura*, Parish L.I.F.E. Ministry
