Wearing Face Masks in the Church

With all Holy Masses being inside in the Church, we must be more diligent in adhering to the rules issued for all Parishes by the Archdiocese of Detroit: social distancing, wearing face masks, and sanitizing the church.

More than ever, diligence in wearing facemasks is crucial so that all people feel welcome in our Parish. There is a significant number of people who – subjectively or objectively – would not feel comfortable coming to Church if people were not wearing their masks. No matter what anyone's personal stand is, wearing a mask is an act of charity we owe to those who are more vulnerable and more sensitive. Saint John reminds Christians: If anyone says, "I love God," but hates his brother, he is a liar; for whoever does not love a brother whom he has seen cannot love God whom he has not seen. (1 John 4:20)

Most people do not like wearing a mask, but Jesus calls us to even do things we do not like, and Jesus Himself was first in line. Our self-denial and sacrifice are a way for us to imitate Jesus and they are also a source of grace for our lives. Wearing a mask can be an act of self-sacrifice offered up for the upcoming presidential election and for peace in the nation.

Since the beginning of the pandemic, many people have offered their help and assistance. My particular gratitude goes to the maintenance and cleaning staff as well as the many volunteers who have stepped up to help make our Parish open for everybody. Their efforts allow us to offer the liturgy and other services and they should not be taken for granted.

The Parish needs your help now. Discipline and compliance with face masks will help make our Parish a place where all feel comfortable and welcome; a place to experience the love of God and love of neighbor.

Advent Alert: Giving Tree Alternatives Available Next Weekend

Because of the need for social distancing, and to minimize traffic in and out of the parish office, the parish will not be setting up an Advent Giving Tree this year. We will, of course, make sure that parishioners have the opportunity to help the individuals and groups that are counting on the gifts from the Giving Tree. Next Saturday, one of these alternative ways to give will take place:

Baby Item Collection Saturday, October 24, 9:30AM - 11:30AM

Right now, there is a **great need for baby items at the Right to Life/Lifespan's Wee Care Program**. Donations have been low in recent months but the need for assistance continues. Wee Care provides emergency clothing and other baby items to women and babies in need, but right now Wee Care itself is in great need.

Instead of waiting for Advent and collecting baby items through the Giving Tree, we will sponsor a drop-off baby item collection to help stock the shelves at Wee Care. This will be a 'contact-free' drop off, similar to the drop-off food collection that took place last month. The items in greatest demand are:

- ◆ short-sleeve onesies up to size 9 months
- ◆ light-weight sleepers up to size 9 months
- ◆ crib sheets
- ◆ baby towels
- ◆ pacifiers

Donations can be dropped off at the **Activity Center next Saturday, October 24, between 9:30AM and 11:30AM**. Please enter the Activity Center parking lot from 18 Mile Road, drive to the back of the building, and volunteers will take your donation from your trunk or backseat and place them in the truck for delivery to Wee Care.

*** To everyone who likes to donate baby items on the Giving Tree during Advent, this collection to support Wee Care is being offered as an alternative. This will be the parish's only collection of baby items for the remainder of 2020.

Thank you for understanding the necessary changes that are being made for Advent this year,
and thank you for your early support for the babies at Wee Care.

Total Consecration to Jesus thru Mary 33-Day Preparation begins : NOVEMBER 5

St. Louis de Montfort (1673 – 1716) had a profound and deep devotion to the Blessed Virgin Mary and wrote extensively on the virtues of Our Lady, what true devotion to her consists of, and how the faithful need to turn to her as the way to her Son, Jesus Christ. He recommends that the faithful formally consecrate themselves to the Blessed Mother. For this end he developed a specific 33-day program consisting of various prayers and readings to help the faithful detach themselves from the world and bond themselves more closely with Christ through the example and intercession of the Blessed Virgin Mary. St. Louis de Montfort stands in a long tradition of saints completely devoted to Our Lady, and his work has been influential in the lives of many other saints, one of the most famous among them is Pope St. John Paul II, who took his papal motto, "Totus Tuus" (Totally Yours) from de Montfort.

This "Total Consecration to Jesus through Mary" consists of an initial 12-day preparation followed by a period of three consecutive weeks, each week focusing on a different theme. It is recommended that the consecration be done on a major feast day of Our Lady, meaning that the preparation would begin 33 days prior. That is, after the 33-day program is completed, the formal Act of Consecration is made on a Marian feast day. Once you make the consecration, it is for life. It can then be renewed annually. Keep in mind that this is a formal consecration to Our Lady, like a vow. Through this 33-day program you are giving Mary ALL of yourself - your heart, your mind, and your soul - in order to bring you closer and help you be more faithful to her Son, Jesus Christ. Also, that she may use you as a holy instrument in her battle with Satan - i.e. this consecration allows her the free reign in your life to make you holy (she assists you, through the Holy Spirit, to conform to her virtues) and to use your prayers, sacrifices, and sufferings for the greater glory of God.

The next preparation begins on November 5, for all who wish to make, or renew their Consecration on December 8, the Solemnity of the Immaculate Conception.

"Preparation for Total Consecration" books are available in the parish office for \$10.

For questions about making your Total Consecration, or to register to make (or renew) your Total Consecration, contact the Parish Office: (586) 726-6911

Event Purpose

The UNITE OUR NATION "Rally to the Eucharist" project, of which the UNITE MICHIGAN is a part of, is a grassroots inspired movement. The UNITE OUR NATION processions have ignited the laity across the nation. The massive Eucharistic processional events have become a rallying point for faithful Catholics everywhere. They offer an opportunity for Catholics to come together in Christian solidarity to pray, adore and to do public reparation for the deep divisions that have cut across our nation. Divisions seeded by unrepentant sin and a general weakening of the faith among our people. We seek to petition heaven for mercy, with full confidence in God's redemptive power. His grace will crush the diabolical strongholds that hold captive our public & governmental institutions. Strongholds that have darkened so much of our culture and spiritually blinded so many to the presence of God.

Event Details

The Eucharistic event will begin at 11:30 AM at Our Lady of the Rosary with confession, adoration and a priestly exhortation. The procession will then move to the Sweetest Heart of Mary parish for benediction and a recitation of the patriotic rosary. At the completion of the recitation of the rosary, the procession will move to St. Joseph Shrine for a final benediction, repose of the Blessed Sacrament and an inspirational summation of the day by lay evangelist, Bobby Hesley. Conclusion of the event will be at 4 PM.

Busses will be available to transport participants back to their cars at the conclusion of the event. Med-care vans will also be available along the route to assist adorers who may require medical assistance, water, or transportation.

The Knights of Columbus, Knights of the Holy Sepulcher and the Knights of St. John of Jerusalem are also expected to participate for the entirety of the procession. St. Paul's Street Evangelist will also provide street level ministry to those who may be drawn to observe the procession of the Blessed Sacrament.

WE PROCESS UNITED ONE NATION UNDER GOD

Priorities at the Polls

By Most Reverend Joseph F. Naumann,

Archbishop of Kansas City, Kansas and Chairman of the USCCB Committee on Pro-Life Activities

As Catholics approach the polls, we are asked to weigh many important issues. The U.S. bishops have reaffirmed that “the threat of abortion remains our preeminent priority because it directly attacks life itself, because it takes place within the sanctuary of the family, and because of the number of lives destroyed.”(1) While they did warn us not to “dismiss or ignore other serious threats to human life and dignity such as racism, the environmental crisis, poverty, and the death penalty,” they did give priority to upholding and defending our brothers’ and sisters’ most basic right — to live.

Abortion tragically ends someone’s life when he or she is most vulnerable and most in need of loving protection. Abortion is an intrinsic evil, meaning that it is never permitted or morally justified, regardless of individual circumstances or intentions. The personal and societal consequences of attacks against human life, whether at its earliest stages or at its final stages, are all the more serious because most often they are “carried out in the very heart of and with the complicity of the family — the family which by its nature is called to be the ‘sanctuary of life.’”(2) This is the place where a person should be the most loved, cherished, and protected.

Catholics are called to defend human life wherever it is threatened and stand up for human dignity wherever it is violated. The enormous number of human lives destroyed by abortion is one factor that elevates its importance. The most recent available data indicates over 2,000 children per day die from abortion in the United States. Since abortion was legalized in 1973, over 61 million children have been killed — and untold numbers of women and men suffer in the aftermath.

The tragedy of abortion is also distinct in that it is currently legal to directly and intentionally take the life of an innocent human being. Current laws in our country fail to protect the lives of unborn children. Our highest Court does not recognize children in their mothers’ wombs as persons and claims that abortion is a constitutional right. Further, many political leaders work actively to increase access to abortion. Some falsely describe it as health care and even as a basic human right.

People of good will must boldly stand up against this intrinsic evil, especially when it is occurring on a massive scale, implemented in law and funded, in some instances, by the government. As believers and citizens inspired by the Gospel and guided by the shepherds of our Church, we must do what we can to end violence in the womb, to ensure that unborn children are fully recognized and protected by our laws, and to support mothers and fathers in embracing life.
