4TH SUNDAY OF LENT

For everyone who does wicked things hates the light and does not come toward the light, so that his works might not be exposed. But whoever lives the truth comes to the light, so that his works may be clearly seen as done in God. - Jn 3:20-21

Welcome Bishop Christopher Ndizeye Nkoronko • This Weekend, March 9 & 10

Bishop Christopher

Bishop Christopher Ndizeye Nkoronko, Bishop of the Diocese of Kahama, whose responsibilities include the spiritual care of our 'Sister Parish', Holy Family Parish in Kagongwa, Tanzania, is visiting our Parish this weekend. Bishop Christopher will update us on the progress that has been made in Kahama as a result of the prayers and generosity of the parishioners of Ss. Cyril & Methodius. He will also share his vision for upgrading the St. Ann Dispensary, the source of health care for the local Kahama population, including the priests and the Bishop.

One of Bishop Christopher's top priorities is to upgrade St. Ann Dispensary to a Health Center. His vision includes three building initiatives: 1) First, because the current buildings are inadequate and in disrepair, a new building must be constructed. There are three existing buildings; two buildings in need of repair and an old one in need of replacement. 2) Second, new equipment and medical devices need to be purchased. 3) Third, staff will need to be hired to serve the needs of the people. Currently, St. Ann Dispensary operates 24/7 with only two nuns who work full time, all week long. Two part-time assistants are provided by the government on occasion, and a government doctor visits infrequently.

Once the Health Center is built and operational, the villagers who have government insurance will be allowed to use it for treatment. Currently, government insurance is not allowed at the Dispensary. Also, according to government rules, services for children under five years of age, elder care and some pregnancy treatment must be provided for free.

Consider:

I Gave my Blood, Christ Gave His.

I Gave a Pint, He Gave All.

The Needle is Sharp and Small,

The Nails were Large and Blunt.

The Bed is Soft and Restful,

The Cross was Rough and Painful.

The Nurses are Kind and Gentle,

The Soldiers were Cruel and Tough.

Humanity Applauds my Sacrifice,

The Crowds He Passed Reviled Him.

My Blood is O Positive,

His is Positively for All.

Mine will Prolong Life for Awhile,

His Will Save Forever!

The American Red Cross' blood supply is critically low. Without the proper amount of blood on-hand, patients (perhaps even our family members or friends) may not have blood available for necessary operations or emergencies.

One of our parishioners shared her heartfelt appreciation for Camp Ozanam which helped her many years ago:

My Dear Fellow Parishioners,

TESTIMONY FROM A PARISHIONER & GRATEFUL CAMPER

My name is Alice. I was so touched to read in our church paper the request for support of camp Ozanam in Port Huron, Michigan. As a child of eight our father was critically ill and even though the young ones didn't realize we were in great need, our blessed church did.

I remember our mother telling us youngest, my two brothers and I, the church had picked us to go to a wonderful camp. At that time in the late fifties the girls went to camp Stapleton and down the road the boys went to camp Ozanam. They bought us clothing and shoes, and we were thrilled to have bathing suits. We all had our very own bunk bed and cubby for our belongings. I remember at night smelling the trees and listening to the waves lap against the shores of Lake Huron.

Everything was magical: 6:00AM Mass and food. Sister gave us paper, envelopes and stamps so we could write home and tell all the special exciting times our days brought us. Children were able to experience tag, monkey bars, swings, baseball, camp fires, every early evening walking to the Blessed Mary grotto singing our camp song and saying our Rosary and on and on.

We were having such a wonderful time I don't believe anyone had any time to be homesick. It brought me so very close to our Lord. It taught us such appreciation and love of nature and each other like self-respect and caring for others.

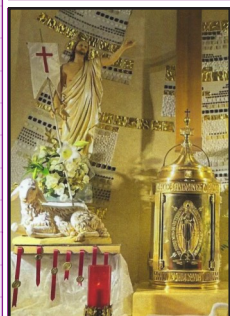

I fell in love with the water. Sister taught me how to braid my hair. The first time I thought I was just so pretty. I'm 75 and still love to swim. My two brothers and I still share how special that time was. We were taught the love of God in our home and at church and catechism and again at camp. It was two weeks of sharing, no worries, just running free in the summer sun. If you can spare even a little bit to send a child in need to camp, I promise you it will impact these children's lives positively forever.

God bless you all, *Alice Salas*
