May 8, 2025, www.aod.org: Following the announcement that Cardinal Robert Prevost has been elected Pope, Archbishop Edward J. Weisenburger issued the following statement:

It is with deep joy and gratitude to God that I join the faithful around the world in celebrating the election of our new Holy Father, Pope Leo XIV. We give thanks not only for his election as the Bishop of Rome but also for his generous and faithful response to the Lord's call to serve the Church in this profound way. Pope Leo XIV's election leaves me exceptionally joyful, and I must humbly acknowledge that I did not anticipate a United States citizen would be elected Pope. His lifetime of ministry includes many years of ministry as a bishop in Peru, giving him a thorough understanding of South America. Moreover, his close association with Pope Francis, history of charitable efforts for the poor and marginalized, extensive prior experience in the Vatican, and personal humility are all qualities that perhaps focused the light of Christ upon him for his brother Cardinals to see.

Let us pray for Pope Leo XIV as he now begins his sacred ministry as the successor of Saint Peter, the Vicar of Christ on Earth. As we give thanks for his election let us also ask the Lord to pour forth every grace of the Holy Spirit that he will know wisdom, compassion, and joy as he leads us into the future.

CHRISTUS VIVIT, NO. 48

First Apparition of Our Lady of Fatima:

During World War I, Pope Benedict XV made repeated but forlorn pleas for peace, and finally in May 1917, made a direct appeal to the Blessed Mother to intercede for peace in the world. Soon, Our Lady began to appear at Fatima, Portugal, to three shepherd children, Lucia dos Santos, age 10, and her cousins, Francisco and Jacinta Marto, ages 9 and 7. Fatima was a small village about 70 miles north of Lisbon.

May 13, 1917: On May 13, 1917, the three children took their flocks out to pasture in the small area known as the Cova da Iria (Cove of Peace). After lunch and the Rosary they suddenly saw a bright flash of something like lightning, followed quickly by another flash in the clear blue sky. They looked up to see, in Lucia's words, "A lady, clothed in white, brighter than the sun, radiating a light more clear and intense than a crystal cup filled with sparkling water lit by burning sunlight." The children stood there amazed, bathed in the light that surrounded the apparition as the Lady smiled and said: "Do not be afraid, I will not harm you." Lucia, as the oldest, asked her where she came from. The Lady pointed to the sky and said: "I come from heaven." Lucia then asked her what she wanted. "I have come to ask you to come here for six months on the 13th day of the month at this same hour. Later, I shall say who I am and what I desire. And I shall return here yet a seventh time." Lucia then asked if they would go to heaven and was told "yes," she and Jacinta would go to heaven, but Francisco would need to say many rosaries first. The Lady then said: "Are you willing to offer yourselves to God and bear all the sufferings He wills to send you as an act of reparation for the conversion of sinners?" Lucia, speaking for all three, readily agreed. "Then you are going to have much to suffer, but the grace of God will be your comfort." Lucia recounted that at the same moment she said these words the Lady opened her hands and streamed a "light" on the children that allowed them to see themselves in God. The Lady finished with a request: "Say the Rosary every day to bring peace to the world and the end of the war." With that she began to rise into the air, moving towards the east until she disappeared. The children got together and tried to think of ways they could make sacrifices as the Lady had asked, resolving to go without lunch and to pray the full Rosary. Francisco and Jacinta received more support from their parents than Lucia, but the attitudes of the local inhabitants ranged from skepticism to utter contempt, and the children thereby suffered many insults. They would have much to suffer, just as the Lady had told them.

Eucharistic Adoration Heart's Deepest Longing

This portion of our pathway toward doing the Will of God in our lives is essential; it is making sure we make a Holy Hour daily or weekly. Have you noticed that most of the means through which we achieve doing the Will of God are things that take time? Time is precious and all of us must balance our days according to what's most important. Like Jesus said to Martha, "Martha, Martha, you are anxious and troubled about many things; one thing is needful. Mary has chosen the good portion, which shall not be taken away from her (Luke 10:41-42)" What was Mary doing that was the good portion? She was "sitting at the Lord's feet and listening to His teaching (Luke 10:39)." Martha understood things needed to be done, and she placed more emphasis on those things instead of on our Lord. Our responsibilities will get done. But we must do that same thing Mary did first, and that's "seek first His kingdom and His righteousness, and all these things shall be yours (ours) as well (Matt. 6:33)." Holy Hours give us a time to place life into perspective. It's a conversation with our Creator and Lord. He knows our schedules; He knows our responsibilities and duties. All He wants is our precious time and He'll guide us through them, grant us grace if we ask for it, give us the strength to do what He has placed in our lives. We're only offered a very short and limited amount of time on this earth, and then its eternity. We are preparing ourselves now for eternity so we must have that as our outlook in all that we do. I wish to say more but I am limited. Jesus awaits us!

Learn About the Liturgy • May 31

You have been told that the Holy Mass is the summit of our Catholic faith. You know that the bread and wine are transformed into the Body and Blood of our Lord, but do you understand what the liturgy is? What place does the liturgy have in the spiritual life? Do you know the meaning behind the prayers, gestures, motions, and actions of the priest and people throughout the Mass? Do you know how to participate in the celebration?

Explore the depths of the mystery of liturgy with Father Juraj. Father will guide you through the world of liturgy in order to better understand why the priest, deacon, altar servers, and the people of God do what they do, say what they say, and participate as they do in the liturgical rites of the Mass and in other sacraments. It will help you as well to consciously join in the celebration. There will also be time for questions and answers.

Join Father Juraj and your fellow parishioners in the Overflow Room on the last Saturday of each month. The next session takes place on Saturday, May 31, immediately following the 9:00AM Holy Mass.

Bring a friend and take this opportunity to deepen your faith and truly appreciate the gift that is at the center of our Catholic life!

## CELEBRATING 100 YEARS OF THE ROSARY SOCIETY!

*Reflections on the Rosary Society by: Deacon Gerald & Virginia Smigell*

A few months after being ordained a Deacon in the year 2000, my grandson convinced me to do the Louis de Montfort Consecration to Jesus through Mary. A short while later I decided that perhaps I should look for a parish that would be open to learning about Mother Mary and growing in devotion to her.

I asked Fr. Ben Kosnac, Pastor of Ss. Cyril & Methodius, if he would consider having a Deacon at his parish. He said yes but suggested I attend Holy Mass there before deciding. When I attended my first Holy Mass on a Saturday morning, I was surprised at the large group of women praying the rosary after Mass. During that rosary, Fr. Ben walked up the aisle and handed me a rosary and told me the women were members of the Rosary Society. I just knew that Mother Mary wanted me there.

On the Cross, Christ declared Mary the Mother of the Church. Mary has certainly been the Mother of Ss. Cyril & Methodius parish using the Rosary Society as her special servants to help it grow from its foundation with her title "Mother of Sorrows". This is beautifully signified in the mosaics of Mary surrounding the church with images of the Annunciation, Wedding Feast of Cana, Mary at Pentecost and Our Lady of Sorrows, who brings such joy to Ss. Cyril & Methodius through her devoted servants. ~ Deacon Gerald Smigell

~~~~~

After Deacon and I joined Ss. Cyril & Methodius Parish, I began to look for a way to become more involved in the parish. The Rosary Society seemed to be the best place. The group offered a good balance of devotion to the Blessed Mother, service to the parish and fellowship.

We wore our blue ribbons and medals with pride and took part in all Marian celebrations. Of course, service is a big part of the Society's activities. I look back on the receptions, breakfasts, luncheons that were provided. A small mountain of cupcakes, cookies, sandwiches, fruit platters, etc. appeared on the tables because of the efforts of the ladies.

We did a lot of hard work, but we had FUN!

The rummage sales were a huge project as we sorted and sold a seemingly endless amount of donated items. But it was fun because we laughed together and had some great pot luck lunches.

Cooking for the Parish Festival was a daunting task but again we had fun between preparing the pierogi, golabki and all the specialty items.

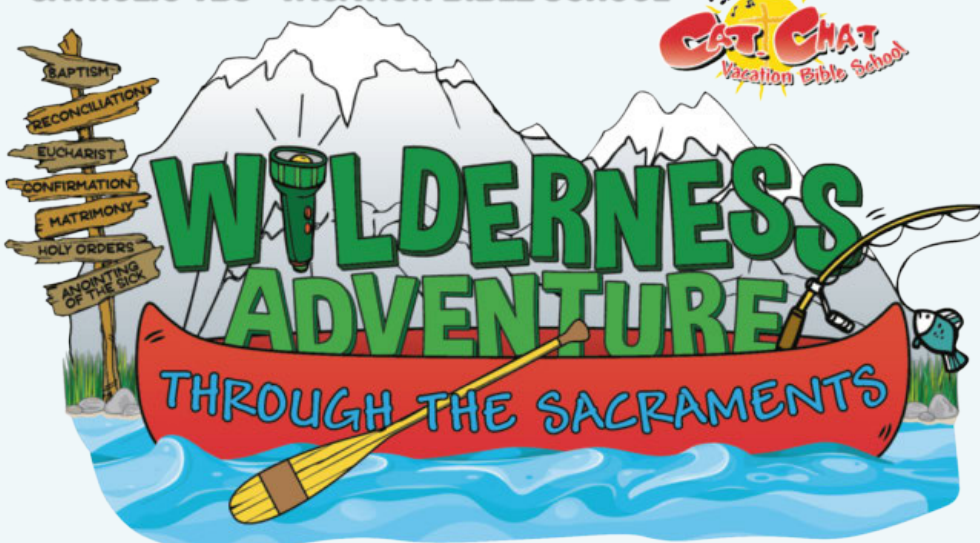

I must mention the extraordinary leadership our officers gave to the group. They brought understanding of the Society, patience, and many hours of behind-the-scenes work. I feel fortunate to have been under the leadership of these women.

Over the years Deacon Gerald has supported the Rosary Society and me in what we have done. And it wasn't just because he enjoyed the treats table so much!

May Crowning Essay - Larissa Stec, Crowner

If I were given the honor of crowning the Blessed Mother at our May Crowning Mass, I would do so with love and deep respect. Mary is more than just the mother of Jesus, she is the mother of us all, always watching over us with kindness and love. God chose her for the most important role in history, to bring Our Savior into the world and raise Him with care.

Mary's life was not easy, yet she accepted God's Will with courage. When the angel Gabriel appeared and told her she would give birth to the Son of God, she didn't hesitate, even though she didn't know if Joseph would stay by her side or if anyone would believe her. She trusted in God completely. Later, she had to raise Jesus alone after Joseph died, and she remained strong even as she watched her Son suffer and die on the cross. She never turned away from God's plan, even when it meant heartbreak for herself.

Mary is everything I admire, caring, loving, kind, beautiful, brave, and understanding. She gave up everything for the sake of humanity, and she deserves to be honored for her sacrifices. Crowning her is a way to thank her for all she has done and show our love and respect for the one who cared for Our Savior. By placing a crown on her, we recognize her as our Heavenly Mother, the Queen of Heaven, and a shining example of faith and devotion.

I would love to have the chance to place the crown on Mary's head, not just as a tradition, but as a way to say, "Thank you, Mary, for your love, your strength, and your sacrifice."

May Crowning Essay - Sofia Blaski, Bouquet

I would like to crown the Blessed Mother Mary at the May Crowning because it would be my way of saying thank you. You might ask yourself, thank you for what? I want to thank her for bringing me into existence. I am aware that God has created me, but before I was conceived, my mother prayed to the Lady of Schoenstatt to bless her with another child. She answered my mother's prayers and gave her a baby boy and a baby girl. Another reason I would be grateful to crown her is to bring her to all those people in the world who don't have a devotion for her so that they know that she is their mother. As well, so they know that she administers the blessings that God grants us. For example. When my brother and I were young children we had attended Adoration without my father. My father would come see us before laying us down to sleep and he told us he could smell the incense of the holy place we once were, the adoration of our Lord Jesus Christ. And the place where his mother is always at his feet, praying. This allowed my father to be present without having to go and receive God spiritually. Being able to crown the mother would be such a blessing to me so that I can help others and so that I can thank My Mother for answering my mom's prayers and giving her another child.

May Crowning Essay - Holly Haynes, Rosary & Scapular

I would like to crown the Blessed Mother at the May Crowning because Mary means so much to me and it would be an incredible honor.

Mary has always been my mother in Heaven. I can pray to her as easily as talking to a close friend. She is the one I go to first, and I always find comfort and peace through her.

I've always been drawn to our prayers to Mary, especially the Hail Holy Queen and Memorare. They are such beautiful prayers and are so meaningful. It is a blessing to be able to go to Mary for anything we need, knowing that our prayer will reach God through her. She is our Mother of Mercy, and even though we sin, she still listens to our requests and gives us grace from God. Mary is a refuge for us and is always waiting for us with open arms, calling us to her.

When we honor Mary, we honor God. As Saint Louis De Montfort said, "We never give more honor to Jesus than when we honor His Mother." Mary was an uncommon person who was made Immaculate and without sin, but she lived for God and was His alone. Now, she is our Queen and mother in Heaven, and she has caused many miracles over the ages, all to help and guide us. These are the reasons why I want to crown Mary.
